(TOCOM RSS 3 - 6. month closing , SICOM RSS 3 & TSR 20 – 1st pos. settlement, MRE SMR CV & SMR 20 – closing quotation)

TOCOM quotes this Monday with 345,20 Yen/kg on the 6th position indeed abt. 3 % lower compared with one weeks ago annual peek, but high crude-oil and raw material supply that still has not come back to normal prevents prices from further dropping. The only hope is that the production will improve considerably in order to ease the bull-run.
